

# ... NORMAL PEOPLE

Church is for perfect people with perfect lives, relationships and habits. Right? Is there a place for those of us who are more normal? People with normal lives that get off track, normal kids who mess up and normal habits and relationships that get out of hand. Community Christian is a CHURCH FOR THE REST OF US. A place where you can be yourself and find others like you. People trying to find love, wisdom and grace for becoming what God wants us to be.

## WHAT TO EXPECT AT COMMUNITY CHRISTIAN:

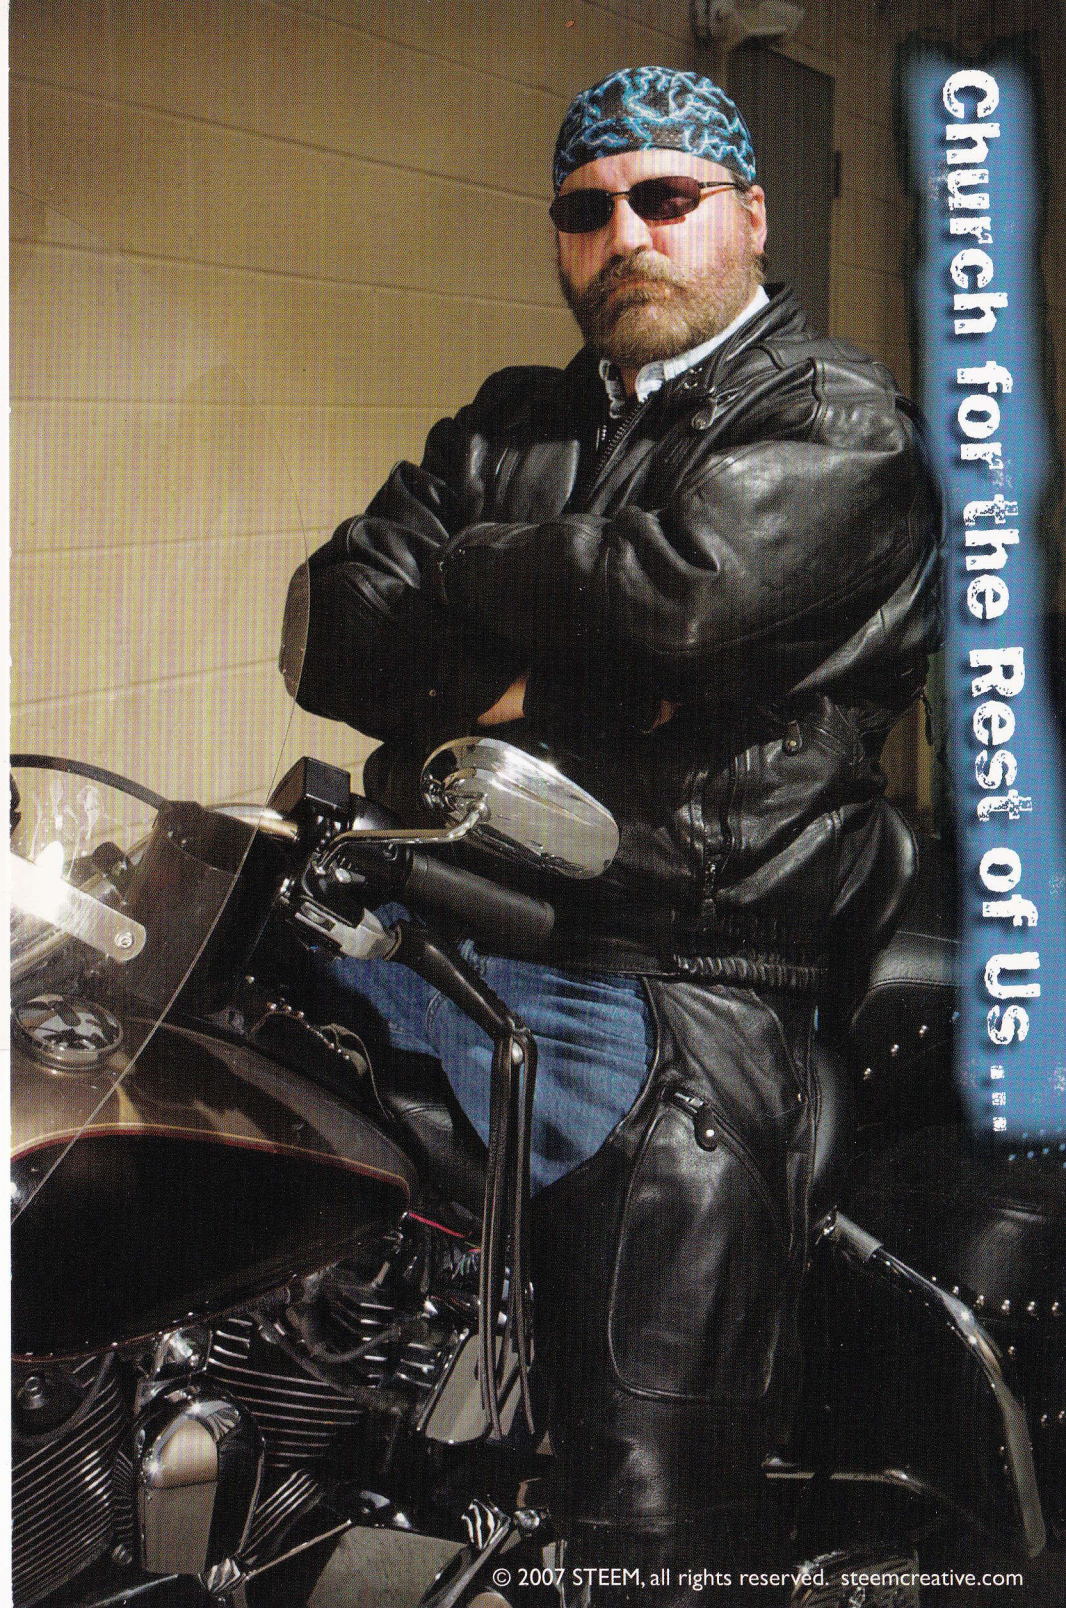

- Casual relaxed atmosphere
- Fun, safe learning environment for kids
- Music that's a little too loud
- People taking God seriously
- People (just like you) not taking themselves seriously
